Prairie Wedding

AT THE FARM

PRAIRIE FRUITS
— Farm & Creamery —

We love hosting weddings, reception dinners, rehearsal dinners, and day-after brunches — each one designed around the moments that matter most to you. Our event planner works alongside you to bring it to life, using the spaces and options in this brochure. Every event is booked as a private dining experience, just for you.

We work closely with trusted vendors and can provide recommendations for floral design, photography, and DJ services.
